Sir,

With reference to the correspondence ending with Government Order No. G.10612-5 Saey: 6-25-95 dated 30th March 1927, ordering the shifting of the Malnad Improvement Dispensary sanctioned for Gonibid from Jannapura to Gonibid, I have the honour to forward herewith, in original, a letter received from Mr. K.S.Channabasavayya, offering his building for the location of the dispensary with a sum of Rs.1,500/- to meet the cost of improvements thereto and of the construction of a ward for a bed or two. The District Medical Officer whose opinion was called for, reports that he consulted the Executive Engineer and the latter informed him that the sum offered was sufficient to cover the cost of improvements and the construction of a ward. A copy of the District Medical Officer's letter No.3426- dated 8th April 1927, is enclosed. I request that the Government may be pleased to accept the gift of the building as well as the cash and to authorise the utilisation of the donation for the improvement and the ward, according to the wishes of the donor.

I have the honour to be,
Sir,
Your most obedient servant,

Sr. Surgeon & Sany. Comr.,
Mysore Government

Letter No. 2426 dated 8th April 1927 from the District Medical Officer, Kadur District, Chickmgalur, to the Senior Surgeon in Mysore Bangalore.

With reference to your D.O.No.C.2921, -1 dated 31st March 1927, forwarding the letter in original received from Mr. K.S.Chenna basaviah of Gonibid, Kadur District , and the copy of the letter from the Private Secretary to the Dewan calling for a report about utilisation of the amount etc., I beg to report as follows:-

I inspected the dispensary building at Gonibid of Mr. K.S. Chennabasaviah. The suggestions of the Executive Engineer is not carried out. The roof has Mangalore tiles on two sides. On the other two sides it is covered with pot tiles. Some of the rafters require replacing. The floor requires to be tiled.
The vacant place in the immediate neighbourhood of the dispensary building belongs to the same gentleman. He will readily give the same for constructing a ward accommodating a bed for in-patients' use.

I consulted the Executive Engineer. He informed me that with the sum offered both the above improvements required to the Dispensary buildings and also an in-patient ward with one bed can be built. Under the circumstances I am of opinion that the amount offered could be utilised for the improvement of the Dispensary building and the construction of an inpatient ward.
